

**Massachusetts Department of Public Health
Division of TB Prevention and Control
TB Clinic Schedule**

TB Clinics provide diagnostic and treatment services for Massachusetts residents who are:

- Diagnosed/suspected of having TB disease
- Diagnosed/suspected of having latent TB infection
- Contacts to persons with active TB disease
- In need of treatment for old TB disease

Services do not include routine or initial TB skin testing.

Local medical providers/health departments are sources for these services.
